SWIM AMERICA LESSONS

How long will it take to learn to swim? This depends on your child's age and level of fitness. It may take 20 or more lessons for preschoolers to learn the basic skills of floating, kicking, returning to the wall and rolling over on their back to breathe, float and rest. Older children learn more quickly and most can learn to swim two or more strokes in 20 or so lessons.

What are SWIM AMERICA swim lessons? SWIM AMERICA offers infant through adult lessons. We teach with the most effective method known, using a progression developed by this nation's top swim coaches. Our goal is to teach your child to swim quickly. Children move at their own pace from one skill station to the next. All coaches are certified by SWIM AMERICA, a national program of the American Swimming Coaches Association.

Group Swim Lessons – \$37.00 Per Session

Semi-Private Swim Lessons – \$52.00 Per Session

Swim Lessons will be cancelled if Thunder & Lighting occurs. Due to the Rigid Schedule, NO make up classes will be held due to bad weather.

PROGRESSION FOR SWIM AMERICA

Station One: Non Swimmer-A child who has not had any water experience.

Station Two: Ability to place head under water. Child is not afraid of the water and needs to know how to add the proper kicks to the front float and back float.

Station Three: Front float and back float. Child is not afraid of the water and needs to know how to add the proper kick to the front float and back float.

Station Four: Front float and kick, back float and kick.

Child needs to learn how to add the proper arm stroke to the front and back float.

Station Five: Crawl arm stroke, no breathing.

Station Six: Crawl Stroke with breathing.

Station Seven to Ten: By SWIM AMERICA staff only. We will accommodate the level your child is in if we do not offer that level.

Preschool/Parent Class: A class for ages 3 to 5 who might not feel comfortable taking a class without mom or dad. **Parent will be in water with child and instructor will teach both the parent and child.**

Preschool 3-5 Year Old Classes: A class that will teach children about safety in the water and basic swimming skills.

Infant/Toddler Class (Up to 3 years old): The parent will get into the water with the child and will learn the basic water techniques to help the child feel more comfortable towards the water. A positive water experience at this age will help the child enjoy the water more in the future.

Semi-Private Lessons: These 40 minute lessons are designed for children who need extra attention in the water. We place 2 children in each lesson with 1 instructor which allows the instructor to work on individual strokes with each child. Classes fill quickly, so sign up soon.

Thursday	April 15	5 pm - 9 pm

You will be responsible for all material covered in class as well as on videos and in the books. Only excused absences will be permitted (illness accompanied with a doctor's note). Due to the limited amount of time we have each night and limited pool space, it is difficult for us to schedule any makeup classes, so make every effort to attend all classes and be on time. If you are absent or are late to class, you will receive an incomplete from the course if previous arrangements have not been made.

Successful completion of the course consists of passing a written test with a score of at least 80% and passing a final skills check. This is required for both CPRO and Lifeguarding. Also, throughout the course you will need to demonstrate the ability to perform rescue skills adequately. You are not graded solely by your performance on the final skill check, but your demonstration of the skills throughout the course.

CPR for the Professional Rescuer Review Course (C-Pro)

This course is for people who are **Currently** certified in CPR for the Professional Rescuer. You must possess a current American Red Cross CPR for the Professional Rescuer Certificate to enroll in the course. We will check your certificate on the first night of class to be sure you are eligible for the course.

Certification Expiration: CPR for the Professional Rescuer expires after 1 year.
